

Manx Faerie World Record Attempt

#FaeriesWorldRecord

Free to
attend!

Saturday, 28th September 2019

Villiers Square, 3pm

Participants will then proceed to the Villa Marina for counting

All participants must be wearing wings, a tutu, and be carrying a wand!

We are calling upon the Faeries of Mann to help attempt to break a Guinness World Record! While we may be Manx *faeries*, we're trying to break the record for the 'Largest Gathering of *Fairies*' (currently 878 people!). We would like to encourage as many people of all ages to break out their inner faerie and help us smash the record! We also have two exciting 3-legged race records to break and set on the day!
