#### Corporate Sponsor Pack

### Summary

In 2023, Expedition Limitless embarked on our first charity expedition—an unsupported 110km journey through the Arctic with 12 novices. Our goal? To raise £50,000 for Isle Listen.

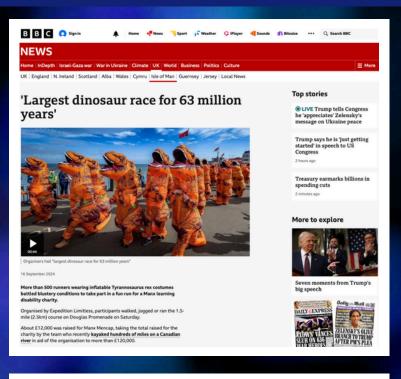

By 2025, we set our sights even higher, doubling our fundraising target to £100,000. To achieve this ambitious goal, we needed fresh and creative fundraising events—and that's how the T-Rex Run was born.

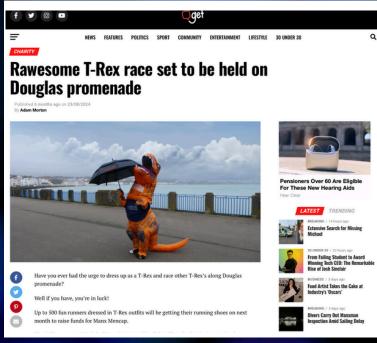

In its debut year, the event saw over 500 participants and thousands of spectators, raising an impressive £12,000 towards our final total of £111,000 for Manx Mencap. The T-Rex Run was widely praised as one of the most innovative and fun family days in recent memory.

This year, we're aiming even higher. Bigger. Better. More impactful. Join us as we take the T-Rex Run to the next level - T-Fest 2025!

#### **2025 Plan**

2024 was undoubtedly a 'roaring' success, but we felt that more could be done with such a visually spectacular event as a team. The 2025 edition will have the same format using a 2km course across & back on Douglas Promenade.

Additionally, we have decided to grow the event into an afternoon family friendly festival with music, food, and refreshments for participants and spectators to enjoy.

We believe that T-Fest has the potential to become an annual event that, in time, will attract visitors to the Isle of Man to participate, something we're hopeful will begin this year.

Your corporate sponsorship will enable this to happen while ensuring as much money raised goes to The Children's Centre & Rebecca House by Hospice. Sponsorship money will be used to pay for T-Rex suits, event management, stage & audio production, and marketing.
