Isle of Man Chamber of Commerce

Chamber Gift Appeal 2026

Helping five Chamber member charities bring Christmas to their communities

Deadline: Wednesday 9 December

This Christmas, Chamber is collecting gifts for five wonderful charity members. Every present will go to someone who really needs a little festive joy, and every one makes a difference.

How does it work?

1

Check the wish lists

Have a look at the wish list of each charity on the next pages.

2

Get the presents

Choose a gift, or several, for the charity you would like to support.

3

Tag your gift

Label each present with the name of the charity it is for.

4

Drop it off

Bring your gifts to Chamber HQ before the deadline.

Drop-off point
Chamber HQ, Hillary House, Douglas

Deadline
Wednesday 9 December

Before you wrap: every charity has its own requirements. Some want gifts unwrapped so they can check ages and who gets what, others are happy either way. Please check each charity's card first.
